Good morning Jocelyn,

Please see the emails below in which both Coleman American Moving Services, Inc. and Covan World-Wide Moving, Inc. have requested an extension to file their 2017 Annual Report. Both of the companies are requesting an extension until May 25th, 2018, which is out of ORS's authority to grant, as it is 30 days past the Annual Report due date of April 1, 2018. Please let me know if you have any questions or need anything else from me to process this request.

Thank you!

Jenna,

Thank you for responding this morning. I would like to request a new filing extension date of May 25th, 2018. We should have all the final information back from our auditing firm by the week of May 14, not sure which day, and give us time to apply it to the filing for South Carolina. If this is a reasonable date, please forward to the SC Public Service Commission.

Thank you very much,

Sharon friend

Good morning Sharon,

ORS is not allowed to grant anything past a 30 day extension. If you can email me back with a specific date that you would like to request a longer extension until (beyond May 1st), I can forward it to the SC Public Service Commission for their approval.

Thank you,

Jenna,

As we are approaching May 1st, next Tuesday, we have not finalized our annual audited statements from our accountants. What can we do to obtain a further extension date and avoid a regulatory compliance problem? Our accountants will be back here the week of May 7th for a week, and we will not have the information until sometime in the week of the 14th. Can you help with another extension of time?

Thank you,
Sharon Friend

Importance: High

Good afternoon,

The purpose of this email is to officially request and extension to file the Annual Transportation Report, which is due on April 1st, 2018. Due to our not having the audited financial statements for our accountants by that time, we will not have the information which is required for completing this by 4/1/2018. I would like to respectfully request and extension for May 1, 2018. This should allow us time to have the reports back to you and meet that date. We do not want to cause ourselves a regulatory problem and that is the reason I am submitting this request.

Would you please give this consideration and let me know your decision?

I will await your reply and sincerely appreciate your assistance in this matter.

Best regards,
